

MY DASHBOARD

The dashboard provides an at-a-glance view of your business finances that allows you to click through your critical financial tasks – all from one user-friendly screen.

Smart technology tracks the features you use most often and makes them available via a single click right from the dashboard, creating a dynamic display that evolves right in step with your business.

The dashboard can be accessed at any time by simply selecting Dashboard on the menu or clicking on My Dashboard at the top of every page.

1 MESSAGE OF THE DAY

Keeps you tuned into important messages from us.

2 FINANCIAL OVERVIEW

Provides a snapshot of up to 50 accounts and balances. With one click on any balance amount, you'll see pertinent account details. The setup feature gives users the ability to define the order their accounts display on the dashboard and book transfer input screens.

Financial Overview (All balances as of 11/10/2014 15:33:40 CST)			
		Yesterday	Available
Deposits			
Account Name ▶	Account Number ▶	Yesterday ▶	Available ▶
Demo Account	123456789		
Demo 2	8712391289		

3 ACTION REQUIRED

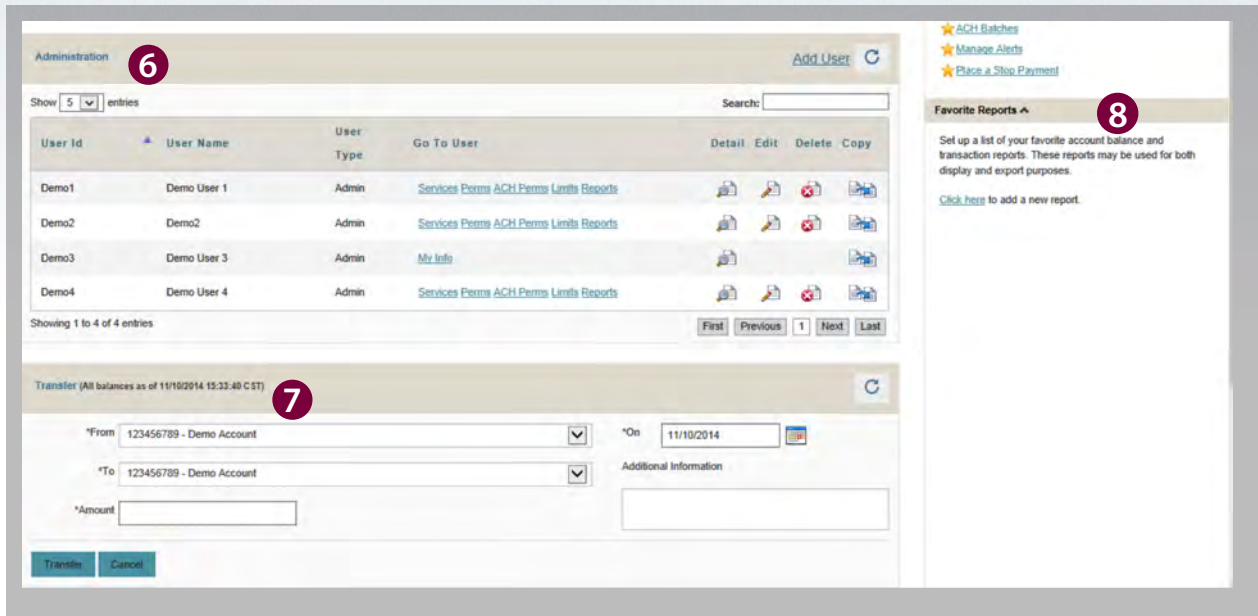

Helps you stay on top of any pending items that need your attention. The links drive you directly to your task – so you can handle it with just a few clicks

4 MOST USED SERVICES

Maps to the functions you visit most for quick, one-click access. Because it automatically learns and remembers your most-used functions, this section dynamically shifts to custom-fit each user – so your “Most-Used Services” can be quite different from other users in your company.

5 BULLETINS

Alerts you via a pop-up box at login to important messages from Johnson Bank.

The screenshot displays the Johnson Bank online banking interface. It is divided into three main sections, each highlighted with a red circle containing a number:

- 6 ADMINISTRATION:** This section features a table of users. The table has columns for User Id, User Name, User Type, Go To User, and actions (Detail, Edit, Delete, Copy). There are four demo users listed. Above the table is a search bar and a dropdown menu for the number of entries to show (currently set to 5).
- 7 TRANSFER:** This section is titled "Transfer (All balances as of 11/10/2014 15:33:40 CST)". It contains fields for "From" (123456789 - Demo Account), "To" (123456789 - Demo Account), and "Amount". There is also a date field set to 11/10/2014 and an "Additional Information" field. Buttons for "Transfer" and "Cancel" are at the bottom.
- 8 FAVORITE REPORTS:** This section is titled "Favorite Reports" and includes links for "ACH Balances", "Manage Alerts", and "Place a Stop Payment". It contains text explaining that users can set up a list of favorite account balance and transaction reports, and a link to "Click here to add a new report."

6 ADMINISTRATION

Allows administrators to view and easily manage user access – from adding new users to changing existing users' permissions.

7 TRANSFER

Gives you immediate access to one-time transfers. Simply select the "From" and "To" accounts, the dollar amount and submit. We'll receive your transfer in real time and you'll get an on-screen confirmation

8 FAVORITE REPORTS

Generates your most pertinent account and balance reports with a single click. You define the report templates that can be run again and again – so you get the information you need, anytime you want it. You can share your reports with other users in your company.
