After clicking Edit, you will be taken to the user's Contact Information screen. Confirm the email address is correct and **uncheck** the **Exclude From Email** box to ensure this user will receive email alerts. If the user would like to receive text message alerts as well, ensure the user's mobile number is entered in the **Mobile Number** field and the **Do Not Sent Text Messages** box is **unchecked**. Lastly, you can limit the times a text message alert can be sent by using the **Text Messages Start/End Time** fields.

Once complete, click the **System Messages** tab at the top of the page.

For any user who is responsible for Exception Processing, we strongly encourage the alerts found within this bracket to be enabled for email.

A list of available alerts will show on the Systems Messages tab. For email alerts, check the **Email** box for each alert this user should be receiving via email. For SMS Text alerts, check the **Text** box for each alert this user should be receiving via text message.

Please note, if you turn off an alert within your own Positive Pay profile, you will no longer be able to reactivate the alert or assign it to any other users. If you see any alerts on this list that you'd like to receive and the alerts are not viewable on your screen, please contact TM Support (contact information on the bottom of this page) and they can activate the alert for you.

Click **Submit** when finished. You will be returned to the User selection screen.
