

MyJFG

Online and Mobile Log In Guide

Beginning July 20, please follow these steps to log in to MyJFG or download the Johnson Financial Group mobile app.

MyJFG Online

1. Go to **JohnsonFinancialGroup.com** and look for the **Personal Login**. *Please note: You can use Chrome, Edge, Fire Fox or Safari browsers. Internet Explorer is not supported.*
2. Enter your **online or mobile banking User ID** and **Password**.
3. Select an **Authentication Method** via a call or text message. Please be near your device to receive your secure access code.
4. Enter your **secure access code**.
5. You'll be prompted to **change your password**. Follow the password requirements.
6. **Register your device** - mobile phone, tablet or desktop.
7. You are all set to begin with MyJFG.

MyJFG Mobile

Mobile only user? Or, use your mobile device in addition to online?

1. Visit your **Apple App Store** or the **Google Play Store** to search and download the Johnson Financial Group app.
2. Follow the online steps 2 - 6 above to log in to MyJFG for the first time.
